# LARGE NUMBERS TO ENTER TOURNAMENT

More Than One Hundred and Fifty Teams Expect to Compete April 3.

With the closing of entry lists for the Atlantic Coast Bowling Association tournament to be held in this city April only two short weeks away, entries are pouring in from all sections of the country. It is estimated that Washingten alone will put forward between 150 and 200 teams. Assurances from other cities seem to indicate that mort than 250 outside teams will compete in the

With the venture taking on greater proportions every day, it now seems as-sured that the coming tourney will develop into one of the most notable bowling meets ever held in the East.

Entry blanks, which have been issued from the headquarters of the Wash ton Tournament Company, Inc., which is promoting the affair, contain information for the guidance of entrants. Stipulation is made that only three

substitutes will be allowed to each five man team, and but one "sub" for every two-man team participating in the tour-Individual entrants must roll in

ney. Individual chrants must properson.

"Every bowler entered in the events must provide his own ball or balls." Balls" shall not in any case exceed twenty-seven inches in circumference nor exceed sixteen pounds in weight." in the case of ten pins says the blank, "duckpin balls must come within the limit of three and three-fourths of an inch diameter, while the devotees of the handle game must use balls with a diameter of four and a half inches or less."

The management announces that every effort will be made to expedite the matches in which out-of-town teams participate, so that bowlers having but limited time will not be dsappointed. In line with this policy, five-men teams

In line with this policy, five-men teams will roll in the evenings with the doubles and singles events folowing on the succeeding morning.

Work is being rapidly pushed forward on the big auditorium in the old Census building at First and B streets northwest. Construction of the sixteen alleys is well under way, and they will be completed in good time. One of the requirements of a national tournament is that play shall start on absolutely new alleys. Not even practice games can be rolled on these alleys before the opening of the tournament.

Grandstands, with a seating capacity of 1,000 are being erected at one end of the hure and. Below the stands there will be fourteen private boxes. In front of the buxes, provision will be made for the press and telegraph, while the scorers' benches will be situated directly behind the bewiers' benches. A four-foot railing will prevent the crowd from pushing onto the alleys and interfering with the play.

Fouline men will be stationed at either side of the alleys, and a scorer at each end of each alley. Back of the pin pits large score boards are to be erected. The numbers used on these boards will be white against a black background, and will be fully a foot in height, so that the will be plainly discernable from the stands. These scoreboards will give the official count.

At the rear of the grandstand there will be telephone booths, cigar stands, a lunger counter, and other booths for the acomfort and convenience of guests. Provision has also been made for the checking of wraps and bowling balls.

If present plans are carried out there will be nightly dancing throughout the tournament in the large hall in the southwest corner of the building. It is planned to have an orchestra of twenty pieces.

Mrs. Vogelsberger, who claimed the District woman's duckplic championship by virture of her defeat of Mrs. George Isemann, was forced to take the small end of the score in a five game match with Miss Billy Williams, last night, at the Arcade. Miss Williams is stellar roller for the Ingram Memorial quint.

The set last night was the first leg of a ten game match. The remaining five games will be rolled off Tuesday night.

"Now. Johnny," said the teacher, "suppose you wanted to build a \$1,000 house and had only \$700 what would you do?"

"I spose I'd here." "I spose I'd have to marry a girl worth \$100." answered the young finan-cier.—Kansas City Star.
